Your HOA and Water Restrictions

By the time you get this month's newsletter, hopefully Greatwood will no longer be under water restrictions. April and May have been particularly hard months with no rain at all and the fact that the MUD had to do repairs on Well No. 2 to keep up with residents' usage. It was the repair to the well that was the cause of the restrictions. The repairs to the well are now finished and the MUD should be able to keep up with the water usage in the neighborhood.

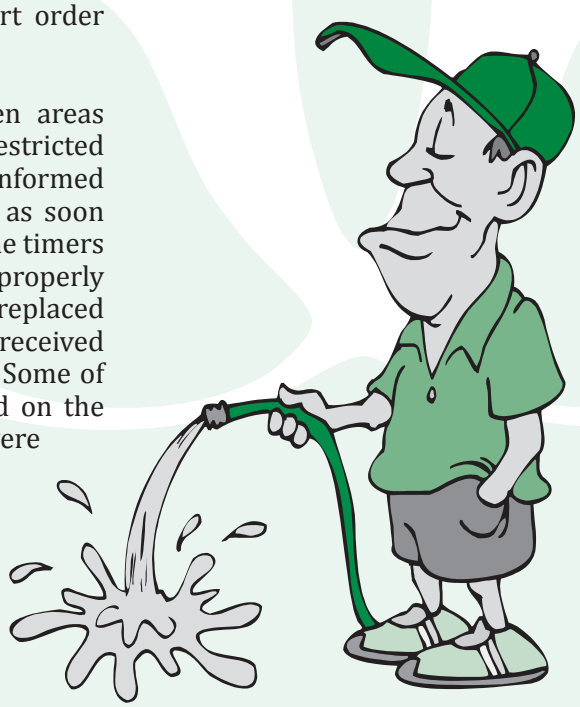
As soon as your HOA received word from the MUD about voluntary water restrictions, we instructed Earthcare, our landscape contractor, to abide by these restrictions. As you can imagine, this was not something that could be done in an hour or two. The timers for all areas had to be reset. This was done in very short order and for the times requested.

There were occasions when areas were not being watered at restricted times. When we were informed about an area, it was fixed as soon as possible. There were some timers that were not functioning properly and some that needed to be replaced and some that had not received maintenance in years past. Some of the problems have occurred on the commercial property and were not our responsibility.

As you can imagine, it is very hard to monitor an area as large as Greatwood. There are hundreds of controls and probably thousands of sprinkler heads.

WE DO NEED THE HELP OF OUR RESIDENTS. At any time, not just in an emergency situation, please report broken sprinkler heads, dry beds, or any other issues concerning landscaping to judyholy@comcast.net who will see that Earthcare gets this information immediately or let you know what is going on in your particular neighborhood. We can't fix what we don't know about.

The MUD and LID have a very comprehensive web site. Go to www.greatwooddistricts.com to access any information you need about your particular water district or LID news. Remember to put both d's in the address.



The MUD'S, LID, your Board and the Management Company are all trying to do their best to make sure that our residents are well informed.

Please remember to go to the HOA'S new website www.mygreatwood.com to keep up to date on what's going on in our community.

We are all trying to keep Greatwood great.

Constable's Bulletin

By Constable A.J. Dorr

It looks like there are plenty of activities for the children in our area and consequently, parents need to know where their children are at all times. May I suggest walkie-talkies? They are cheaper than cell phones. A sport we have been seeing involves "air soft" weapons being toted or brandished by young children. The term "air soft" may give the impression that it's OK to shoot another person and that it will not hurt. This is not true. We have the shooters and yet parents say, "It's just an air soft gun!" We have witnessed broken windows, dents in vehicles and a large whelp on the side of a child's face about one inch from the eye. Eyes are the most vulnerable and weakest part of the body. Eye protection is your number one concern. Children can be vicious and try to hurt one another, especially if some children are older and therefore have an advantage. "Air soft guns" (weapons) are NOT toys, and parents should teach their children to respect them. We do not encourage gunplay among small children; all they want to do is shoot at people. This is what some teens do as a game, going around shooting at each other, and this sometimes influences the younger brother or sister in the home. The safety of a child starts with parental instruction. Poor parental instruction or discipline can lead to tragedies and terrible consequences that could have been avoided all together. Love your children and keep them safe. Stressing the safety rules of guns to children will pay off.

Be sure to call the House Watch program, or better yet, do it online at www.fortbendcountygov.com for those family trips this summer. Our office number is 281-341-4536, M-F, 8Am-5Pm, so call anytime for any of your questions or concerns. Have a safe and fun summer.

Time for a Pop Quiz

By John Bowen

I have written numerous articles covering several topics including issues of safety, physical or monetary, articles addressing the HOA Board's activities, and an article on feral hogs. I thought it might be fun and informative to develop an article that would test the Greatwood News readers in memory retention as well as common sense applications.

This so called Pop Quiz will contain several questions from previous articles, or from articles I have read, and that have multiple-choice answers. At the end of the test you will find the correct answers. I would encourage the reader not to look at the answers until your selections have been made. No one but you need know how you do on the quiz. The objective is to focus on the questions you miss with the hope that if one or more of these scenarios confronts you, you will remember the correct decision to make. The quiz cannot cause you harm, whereas the real life encounter very well could cause you or your loved ones harm. Good luck and here we go:

1. A message flashes on your computer screen: "Warning: Your system requires immediate antivirus scan." It offers a free scan. What do you do?

A. Click "No thanks" or the corner symbol to close the pop-up message.

B. On a PC, hold down the Ctrl and Alt keys and hit "delete." Under the Applications tab, choose "End Task," then do a full-scan with your existing antivirus software.

C. Click "OK" to run the free scan.

2. Your wallet is lost or stolen. Should you file a report with the police?

A. No, the police are unlikely to have time to investigate.

B. Yes, sending copies of the report to card issuers and credit bureaus will help clear up any ID theft.

C. Just get new credit cards, driver's license, and any other cards that were in your wallet and forget about it.

3. The phone rings and a recorded voice asks you to call a number concerning an undeliverable package. Which area codes suggest that it's a scam?

A. 284, 649, 809, 876

B. 473, 864, 784

C. All of the above

4. You receive a $4,850 check and a letter saying it's partial payment of a lottery win. You're told to deposit the check, then wire some or all of the money to the prize authority for insurance or other fees to get the full jackpot. You should?

A. Trash the check.

B. Deposit it and send the requested fee.

C. Deposit it, but don't send the fees.

5. When getting cash at an ATM, how can you protect your debit card data from scammers?

A. Wiggle the ATM's card slot to see if it's secure.

B. On newer ATMs, look for a bright or flashing light at the slot.

C. Cover the keypad as you enter your PIN.

D. All the above.

6. After filing a tax return, you get an email from an IRS address seeking personal data. Your response:

A. Click on the link in the email to get details.

B. Provide the requested info via email.

C. Delete the message unless it's clearly a reply to an email that you sent to the IRS.

7. You hear a noise in your back yard and when you look out the back door window, you see a feral hog routing around and tearing up your lawn. You should:

A. Grab a broom and run out the back door screaming and waving the broom at the hog.

B. Get your trusty 357 Magnum handgun and head out the door, gun blazing.

C. Put poisoned meat around the outer boundaries of your yard to kill the hogs if they attempt to enter your yard again.

D. Stay inside and call the Management Company to report the incident.

8. You receive an email from a friend who has previously sent you emails that have flowed through dozens of email recipients prior to your friend sending it to you. You should:

A. Delete the email and tell your friend to either remove all other email recipients or cease sending chain emails to you. Offer to provide him or her the information they need to learn how to eliminate chain addresses prior to sending an email to others.

B. Open the email and if it is a goodie, hit the forward button, go into your contact file and send it on to all your friends.

C. Delete the email and send an email to your friends telling them to cease sending emails to you.

The Ladybugs

The Ladybugs visited the 5th Street Community Center during the Easter holidays to cheer up the elderly who come during the week for lunch and social activities. This day included 60 elderly visitors to the Community Center. Sister Carmen was also there to help out as activity director. They enjoyed lunch and games and shared a beautiful Easter cake. Always with others in mind, the Ladybugs continue to volunteer their time to aid the elderly, mentally challenged and ill in Fort Bend County. They also hold social events such as garden parties, luncheons and mini-excursions. This is a great way to make new friends or occasionally give back with an hour of your time. If interested in becoming a Ladybug, contact the coordinator/founder, Vicki Latham.

Standing left to right: Ladybug Vicki Latham, Pat Smith, Sister Carmen, Ladybug Debbie Hulen, and Ladybug Lily Rameriz;
Seated: left to right: Betty Johnson and Honorary Ladybug Selena Gomez attended the Spring and Easter Celebration at 5th Street Community Center.

The International Social Group

Recently, the International Social Group (ISG) enjoyed a fun day at Sam Houston Race Park to watch the live quarter horse races. Seated on the finish line in the Winner's Circle Restaurant, the group was fortunate to receive the best seats in the house. While enjoying a wonderful buffet dinner including desserts, they had fun betting on the horse races. The ISG was also featured on the lighted billboard and the whole establishment wished them good luck on their bets. Always doing a variety of fun activities and events, the ISG continues to have interesting get-togethers, whether at public venues or at private homes. A great way to make friends, this group is for Americans as well as those from abroad. If you'd like to be a member of the ISG, contact the coordinator/founder, Vicki Latham. "Get rich quick by counting your blessings!"

ISG Members attending the live quarter horse racing event at Sam Houston Race Park were (left side of the table front to back): John James, Lynn Heinrichs, and ISG coordinators Vicki and Bob Latham. Children's Program Schedule for June at George Memorial Library

Fort Bend County Libraries' George Memorial Library, 1001 Golfview in Richmond, presents a variety of free children's programs -- Mother Goose Time, Toddler Time, Story Time, Pajama Night Story Time, and After-School Breaks -- every month. These programs are free and open to the public.

Mother Goose Time, which takes place on Tuesdays at 11:00 am, provides caregiver/infant activities and songs especially designed for the youngest book-lovers, from age 1 month to 12 months. The June schedule of Mother Goose Time activities is as follows:

- June 7 – Baby's Mealtime
- June 14 – Animal Friends
- June 21 – Peek-a-Boo
- June 28 – Tickle Me

Toddler Time -- Thursdays at 10:00 am -- offers caregiver/child activities, stories and songs for older babies, from 12 to 36 months of age. The June schedule of Toddler Time activities is as follows:

- June 2 – NO PROGRAM
- June 9 – My Daddy
- June 16 – I Love Bugs
- June 23 – Getting Dressed
- June 30 – Sing & Dance with Me

Pre-school children, 3 to 6 years of age, will enjoy Story Time, where they hear stories, watch movies, and participate in age-appropriate craft activities, beginning at 10:00 am each Wednesday and Saturday. The June schedule is as follows:

- June 1 and 4 – NO PROGRAMS
- June 8 and 11 – Father's Day
- June 15 and 18 – Bugs
- June 22 and 25 – Clothing
- June 29 – Song & Dance

Pajama Night Story Time -- which takes place each Thursday at 6:30 pm during the summer -- gives families an evening option for some activities presented during the day time. The June schedule is as follows:

- June 2 – NO PROGRAM
- June 9 – Fathers
- June 16 – Insects
- June 23 – Clothes
- June 30 – Singing & Dancing

Chill Out @ The Library's Teen Summer Programs!

Fort Bend County Libraries' Youth Services department has exciting plans for Fort Bend County teens this summer! All kinds of activities are planned for this year's Teen Summer Reading Club. Escape the heat and the boredom -- come hang out at the library!

Teen programs at George Memorial Library, 1001 Golfview in Richmond, take place on Thursdays, beginning at 2:00 pm, in the Meeting Room. The June schedule is as follows:

- June 2 – NO PROGRAM
- June 9 – Performance Dogs, with Dorothy Beeler
- June 16 – Teen Games: Wii Tennis
- June 23 – Teen Origami, with Lisa Jastram
- June 30 – Teen Yoga Workout

The programs are free and open to the public. For more information, call the library's Public Information Office at 281-341-2677.

New Knitting Club to Start at George Memorial Library

The inaugural meeting of the Needles & Yarn Knitting Group will take place at Fort Bend County Libraries' George Memorial Library, 1001 Golfview in Richmond, on Tuesday, June 7, beginning at 10:00 am, in Room 2B of the library. Share tips, get ideas, and enjoy the camaraderie of fellow knitters at this new weekly event!

The group will meet every Tuesday morning at the library. Knitters of all ages and experience levels – from beginners to advanced -- are invited to join. Those attending should bring their own knitting needles and yarn. Knitters may also participate in a special group project – making a lap blanket for patients at MD Anderson Cancer Center.

The program is free and open to the public. For more information, call the library's Public Information Office at 281-341-2677.

Learn How to Research Your Family History at Library Programs

Have you ever wondered where your ancestors came from? Are you curious about their military service or medical history? Begin your family-history research at Fort Bend County Libraries' Local History and Genealogy Department at George Memorial Library, 1001 Golfview in Richmond. Library staff will present three programs in June to help the beginning family-history researcher start a genealogy search.

Beginning family-history researchers will learn how to begin their research at an introductory program, "Genealogy 101," on Tuesday, June 7, beginning at 10:00 am, in the Computer Lab. Library staff will provide a basic introduction to many of the resources that are available to the beginning genealogical researcher. Items that will be introduced include print resources, materials that are available on microfilm, and basic online tools such as the Ancestry.com and Heritage Quest USA databases.

A new class, "Genealogy Basics: Getting Started," is scheduled for Saturday, June 18, beginning at 10:00 am, in the Computer Lab. Learn how to begin your genealogical search before even sitting at a computer and getting lost in online databases. Staff will begin by introducing basic forms such as a pedigree chart. Those attending will receive a tour of the Genealogy and Local History Department, where they will learn about the print and electronic resources that are available there. Afterward, library staff will be available to assist participants who would like to stay and work on their own projects. Please bring any names and information you already have (i.e., birth, death, marriage dates and locations, etc.).

Get more detailed information about the online resources that are available for family-history research at a special program, "Genealogy Online," on Tuesday, June 21, beginning at 10:00 am, in the Computer Lab. Library staff will discuss many of the free online resources that are available to the genealogical researcher. Tips and strategies for more efficient Internet searching will also be demonstrated.

The programs are free and open to the public. Seating is limited, however, and reservations are required. To register online at the library's website (www.fortbend.lib.tx.us), click on "Calendar," select "George Memorial," and find the program. Participants may also register by calling the library's Local History and Genealogy Department at 281-341-2608, or by visiting the department at the library.

Exciting Plans Underway For Fort Bend County Libraries' Teen Summer Reading Club 2011

"Going Global, Staying Connected!" is the theme for this summer's Young Adult Reading Club for Teens, which begins Tuesday, May 31, at all Fort Bend County Libraries locations. Exciting free activities – from game days and movie nights to cookie decorating and scrapbooking classes – are being planned, while area teens discover the wonders of the world that can be found between the pages of a book!

Teens are encouraged to read as many books as they can, and they will earn rewards based on the total number of hours they spend reading or the number of reading-related activities they complete. The reading activities may include watching a movie based on a book, attending a teen library program, or making a bookmark or poster based on a book. Listening to audio books and reading magazines and newspapers may also be counted.

Participants may register at any Fort Bend County library, or they may register online by going to the FBCL website (http://www.fortbend.lib.tx.us) and clicking on the "Teen SRC Sign-Up" image. Once the online registration form has been completed, the teens will then have their own online page on which to record their hours and activities.

For the first five activities completed, each teen will receive a bookmark. The rewards continue with a water bottle for 10 activities, a globe stress ball for 15 activities, and a reading trophy for the first 20 books read. Reading rewards can be redeemed beginning Monday, June 6. The last day to pick up awards is August 27.

Weekly drawings for gift cards from area stores – donated by the library Friends organizations -- will also take place at each branch library. In addition, the names of participants will be entered into a drawing for a $25-gift certificate from area book stores that will be awarded to several lucky readers completing 20 activities or more, in a drawing scheduled in August at each library location.

There is no charge to join the Summer Reading Club, and it is open to all teens, regardless of the county of residence. The program is sponsored by the Texas State Library, Fort Bend County Libraries, and the Friends organizations that support the county library system.

For more information, call the library's Public Information Office at 281-341-2677 or the library branch nearest you.

Join Fort Bend County Libraries' 2011 Texas Summer Reading Club For Children

Registration for the 2011 Texas Summer Reading Club (SRC) will begin on Tuesday, May 31, and continue through July 30, at all Fort Bend County Libraries (FBCL) locations. Children from infancy to early teens are invited to come to the library to read a lot of great books, see some exciting programs, and join in some fun activities to kick off a great summer!

This year marks the 53rd Anniversary of the Texas Summer Reading Club for children. The theme for this year is "Dig Up a Good Book!" Children are encouraged to read as many books as they can and they will earn rewards based on the total number they read or have read to them, or on the total number of hours they spend reading.

"Research shows that children who are read to from an early age have a larger vocabulary and better language skills when they start school. They also have a greater interest in books," says Susan King, Coordinator of Youth Services at Fort Bend County Libraries. "Children who want to have books read to them are more likely to want to learn to read. You can give your child a life-long advantage if you start now to develop a love for books and reading. Children who are good readers are usually the most successful learners. That's why we invite parents to enroll their children, as young as possible, in the Summer Reading Club. Reading is a good habit to start!"

Participants may register at any Fort Bend County library, or they may register online by going to the FBCL website (http://www.fortbend.lib.tx.us) and clicking on the "Youth SRC Sign-Up" image, which will become available May 31.

Upon registering, participants will then have their own online page on which to record their books. Reading rewards can be redeemed beginning Monday, June 6. For the first five books read, the child will receive a bookmark. The rewards continue with a pencil for 10 books, a certificate for 15 books, and a reading trophy for the first 20 books read. For every 20 books read, the participant's name will also be written on a paper dinosaur to be displayed in that branch library. The last day to pick up awards is August 27.

Young patrons are also invited to register to win plush book-characters that will be given away in weekly drawings. In addition, the names of participants will be entered into a drawing for gift cards from area stores -- donated by the library Friends organizations -- that will be awarded to several lucky readers of 20 books or more, in a drawing scheduled in August at each library location.

There is no charge to join the Summer Reading Club, and it is open to all children, regardless of the county of residence. The program is sponsored by the Texas State Library, Fort Bend County Libraries, and the Friends organizations that support the county library system.

Greatwood Community Association, Inc. Board of Directors Meeting - March 24, 2011

The Board of Directors for the Greatwood Community Association, Inc. met March 24, 2011 at the Recreation Center No.1 at 6:00 pm. The Board members present were Bob Hauck, Judy Holy, John Bowen and Chip Smith with LeJean Griffith and Dana Ladd representing Houston Community Management Services.

CALL TO ORDER
Quorum was established. President Bob Hauck called the meeting to order at 6:00 P.M.

VISITORS
The Constable's Office gave the Board the monthly report for February 2011. JP office will be purchasing new electronic ticket system for Officers.

Keith Diepraam, Tennis instructor, spoke to the board regarding continuing to teach tennis lessons on Greatwood CA's courts after moving out of the neighborhood.

ACTION ITEM LIST REVIEWED

MINUTES
The minutes of the February 24, 2011 Board of Directors meeting were reviewed and approved as amended. Motion Mr. Bowen, second Ms. Holy. Motion passed.

FINANCIALS
February financials were reviewed and discussed.

OLD AND NEW BUSINESS
The Board discussed outdoor vendor (The Dixie Sanders Mortgage Team) having "movie night" at the park on April 28th. Greatwood does not allow outside events on property.

A motion was made by Ms. Holy to approve the bid from HCMS Maintenance to add a light at the Recreation #3 doghouse. The motion was seconded by Mr. Bowen and approved.

FORESTRY COMMITTEE – (Chip Smith)
Mr. Smith reported that all approved trees except for three (3) have been installed.

INFRASTRUCTURE COMMITTEE - (John Bowen)
Mr. Bowen discussed committee structure with Greatwood divided into sections and one representative from each section being responsible for reporting damages to fences, monuments, etc.

All incoming invoices for the following will be emailed to Mr. Bowen for GL code and approval.

Brick Walls:
- Inspection will be done in April to select next Twenty-five (25) brick wall panels that are to be replaced.

Sidewalks:
- Trails One – Inspection to determine which next section of sidewalk to be replaced.
- Charleston Estates – Will get bids to repair sidewalk around twin lakes. Sidewalks may be able to be lifted instead of replaced.
- Knoll – Inspection will be done to check on which sidewalks need to be replaced.

Blade/monument signs:
- Travertine has been delivered and contractor is working on installation of all previously approved bids.
- Forest Bend blade sign needs CCCS (clean, caulk, color and seal).
- A piece of travertine is missing on one of the dog houses at the Sandsbury entrance. Dana Ladd is working on getting bids so that work can be completed while the seasonal color is being changed to prevent damage to new plants.

A motion was made by Mr. Bowen to approve the HCMS bid to repair the concrete fence near Highway 59 for $2,273.25. The motion was seconded by Ms. Holy and approved.

LANDSCAPING & COMMUNICATION – (Judy Holy)
Irrigation bids are being reviewed. Ms. Holy will set up a meeting with Earthcare Management to discuss before approving.

MOTION TO AJOURN
With no further business a motion was made to adjourn the meeting at 7:55 pm, seconded and passed unanimously. The next meeting will be held on April 28, 2011 at 6:00 PM.

Pets and Poop

By Judy Holy

Summer is here. More people are walking their dogs and there are many complaints about the amounts of poop left along the paths and in the common areas.

Children, as well as adults, who are in or around our playgrounds or in our common areas, are bound to step in "something" and with sandals on most people's feet, this is really nasty. There is nothing worse than getting in the car or coming into the house with that unmistakable smell on someone's shoes.

So, PLEASE, if you walk your dog, do your neighbors a favor and pick up after your pet. We'll all thank you for it.

For those of our residents who are diligent and walk with a plastic bag, a big THANKS!

Just another way to keep Greatwood great!

Greatwood Community Association, Inc. Quarterly Representative Meeting - May 10, 2011

The Quarterly Representative Meeting for the Greatwood Community Association, Inc. met May 10, 2011 at the Recreation Center No.1 at 7:05pm. The Board members present were Bob Hauck, John Bowen, Judy Holy and Robert Thompson with LeJean Griffith, Jill Williams and Dana Ladd representing Houston Community Management Services. There were twenty-nine (29) Representatives present at the meeting.

CALL TO ORDER
The meeting was called to order at 7:05pm.

Board President, Bob Hauck introduced newly appointed Board Director Robert Thompson. Mr. Thompson will be filling the vacancy in the board from the resignation of Joe Norrell.

Chip Smith spoke to the representatives and explained that he was resigning from the Board of Directors. He has recently opened his own law practice that requires all of his attention. He will stay involved with the Forestry Committee and would like to possibly be a neighborhood rep again in the future.

Mr. Hauck encouraged any representative that would like to be considered for the board to fill in the position vacated by Mr. Smith to email to the Board for review. As per the documents, the Board will appoint a replacement.

COUNTY COMMISSIONER, RICHARD MORRISON
Mr. Morrison spoke regarding the status of widening Crab River Road. He hopes to have approval by the end of the year. Mr. Morrison also gave information regarding the County budget.

CONSTABLE REPORT
Chief Randy Dluhy reviewed crime stats in the area.

LANDSCAPE & IRRIGATION
Rick Hettrick with Earthcare Management spoke to the representative about landscape and irrigation. The irrigation has all been adjusted to meet the requirements for the water restrictions. If any areas were missed, representatives were urged to contact Houston Community Management Services so that it can be addressed. Current plants will be removed in late May and the beds prepared for new plantings in the end of May.

WATER RESTRICTIONS
Matt Shulte with the Mud reported that water restrictions were triggered by a water well that was down. The repairs have been made and they hope to have the well up and running soon. Restrictions are now mandatory and fines will be assessed on homeowners not following the restriction guidelines. Discussed better alternatives to get the necessary information to homeowners in the future.

COMMUNITY PROJECTS COMMITTEE
Jared Jameson with LID discussed the possibility of up to 10million dollars of park bonds that can be passed for the Greatwood area. A committee has been formed to discuss options that would benefit the community. A survey will be done for feedback on what people would like to see done. Sample survey was given to all representatives.

GREATWOOD LAKE SHORELINE
Jared Jameson with LID informed the representatives that the LID will be replacing the bulkhead around the lake. The estimated cost is 2 million dollars. The project will be starting soon and they will do what is necessary to try preventing any wildlife from harm.

ADJOURN
With no further business to discuss the meeting was adjourned at 8:25pm.

Time for a Pop Quiz *(cont.)*

By John Bowen

Answers:

1. B - You never open or respond to this type of email. Most likely, it is a marketing scam to get you to buy an anti virus protection system that may or may not be a legitimate system.

2. B - You should always report a theft to the police, if for no other reason than for a possible insurance claim and evidence in countering identity theft. You should notify all credit card companies and the 3 major credit-monitoring companies. If your driver's license and Social Security Card are in your wallet, you need to notify and procure a new license and ensure that no one else files on your Social Security or Medicare benefits if you are retired and eligible for benefits.

3. C - UPS or FEDX will never call you about an undelivered package. They will send you a written notice as to where the package can be picked up.

4. A - This is a well-worn scam that a lot of people have fallen for and the temptation may be great. Can you say greetings from Nigeria? Remember the saying, nothing is for free. Lotteries or other contests will broadcast winning numbers or send written notification. Commerce Clearinghouse will show up at your door or workplace.

5. D - There are devices that can be installed by a thief that will scan your ATM card and provide the necessary information to make a withdrawal from your account. Since these are attached, wiggling the slot will alert you to this possible problem. Covering the keypad will prevent someone using binoculars to read your code entry or PIN number.

6. C - Neither the IRS nor any other government entity will ask you for personal information via email. There are instances where you E file your tax return, where information such as receipt of refund date will be supplied, but only via a code secured web site.

7. D - You never mess with a feral hog! Even with a head start, they can run faster than you. A misdirected 357 magnum pistol shot will have no problem going through two or more houses or occupants. Placing poison of any kind around your property may result in a neighbor's pet or child being poisoned. The HOA Board has a trained contractor working through the Management Company who last year disposed of over 20 wild hogs in Greatwood.

8. A - Email tracking is a spammer or scammer's dream. Viruses and identity theft are prime tools used by individuals to be introduced to more and more email addresses allowing for the implementation of Trojan viruses or other devices that hitch a ride right to your hard drive. While you don't want to ruin friendships, you can, in a tactful way, alert your friends to the dangers of tracking and how they can clean up the emails they would like to forward to you.

So how did you do? If you got them all right, you are on the top of your game and ready to face all the challenges that wait for you out there. If you scored poorly, go back and read previous editions of the Greatwood News. Also, there is a lot of information out there in magazines, newspapers, on TV and on the Internet that can help you protect your lives and personal property.

CAMPBELL BENEFITS FROM MONEY RAISED AT THE FUN RUN
Thank you to all of our wonderful parents and volunteers who helped to make Campbell's 2nd Annual Bunny Hop Fun Run such a huge success! This fundraiser brought in $48,279.49, which doubled our profit amount from the previous year! With additional monies raised from our catalog sale in the fall, the PTA was able to fund its entire budget for the year and spend a total of $55,083.85 on special items for the school.

Items purchased for the school included: 13 new computers, a sun shade for the playground, a new V-Brick announcement system, 2 portable Promethean boards with stands, 37 digital cameras (one per classroom), 6 Flip HD video cameras (one per grade level), Science Lab/Curriculum upgrades ($500 per grade level), Grade Level Grants ($700 per grade level), Specials Grants ($500 each to Art, PE, Music and Reading), flash drives (6 for each 3rd, 4th, and 5th grade class), supplies for the school's poster making machine, 7 picnic tables, landscaping updates, a pathway brick in honor of Mrs. Koerth's "Elementary Principal of the Year" award, and a donation to Common Threads.

Have a safe and fun-filled Summer, Campbell Cougars!!! See you in August!

Attention Parents of 6th Grade Students!

There are new immunization requirements that 6th grade students must get BEFORE entering the 7th grade. **Without the updated vaccinations, your child will NOT be able to attend 7th grade!** In order for parents to plan ahead, please know that your child should receive the immunizations listed below before the end of their 6th grade school so that their records can be updated. Please contact your child's physician to make sure that their immunizations are up to date AND that the school nurse has a current record on file in the clinic. The NEW requirements are:

- 1 dose of Tdap booster if at least five years have passed since the last dose of a tetanus-containing vaccine
- 1 dose of Meningococcal vaccine
- 2 doses of Varicella (chickenpox) vaccine on or after the first birthday (separated by at least 1 month) OR provide a statement if your child has has the disease

Please contact your child's physician or the school nurse at kbuchanan@lcisd.org if you have any questions or concerns.

Dear Graduating Class of 2011...

"Life is an opportunity, benefit from it.
Life is beauty, admire it.
Life is bliss, taste it.
Life is a dream, realize it.
Life is a challenge, meet it.
Life is a duty, complete it.
Life is a game, play it.
Life is a promise, fulfill it.
Life is sorrow, overcome it.
Life is a song, sing it.
Life is a struggle, accept it.
Life is a tragedy, confront it.
Life is an adventure, dare it.
Life is luck, make it.
Life is too precious, do not destroy it.
Life is life, fight for it."

~ Mother Teresa

Congratulations!

... And thank you for letting us be a part of your neighborhood.

- David Smith
